Property Update

The demolition of the end of our building is now complete, and the rubble has been moved offsite. The area where the building was is still fenced off while the exterior wall is rebuilt, and the ground is 'made good'. The ground will be part grass and part asphalt which will provide more playing space for us.

The playground is set to be installed over the holidays, I am hopeful there will be no further delays with this!

The remodelled, non-gendered bathrooms in the hall foyer are nearly complete, there are only finishing touches and the final sign-off to be done.

The courts are being painted and are coming along nicely, they should be finished in the next week or so, if the weather stays dry.

MAGS Information Evening

Mt Albert Grammar School is holding an information evening for whānau who are in-zone on Wednesday 8 May, 7pm-8pm, in the F.W Gamble Hall.

If you are in-zone for MAGS this is a good opportunity to hear about the school and to get information on how to enrol.

Please see page 3 of this newsletter for more information.

Central Zone Orienteering

On a sunny autumn Tuesday we, Oscar, Tyson, Exodus and Tevita, represented our school in the Central Zone Orienteering at Monte Cecilia park. We had fun and thought it was pretty cool even when it seemed to take ages to find the next control and it was really hot.

Oscar came in at 23mins, Tyson 41mins, Tevita 1hr 7mins and Exodus 1hr 11mins. We recommended giving it a go next year.

Thanks Mrs Cassidy for taking us and being our support crew.

By Oscar, Tyson, Exodus and Tevita.

Goal Setting Evening

It's not too late to book a meeting with your child's teacher! On Wednesday 27 March please come along and have a chat with your child's teacher about how they've settled in to school this year, and to talk about your hopes and dreams for your child in the 2024 school year. Information on how to book a time has been sent home with your child, or you can phone the school office.

Staff Introductions

In each newsletter this term we will introduce a few of our staff members. This week we introduce some of our teachers.

Sabine Pollak

Role in the school:

Hangarau|Technology Teacher - Food Technology and STEM.
