Tēnā koutou katoa, Talofa Lava, Bula Vinaka, Mālō e Lelei, Fakalofa lahi atu, Nihao, Namaste, Kia orana, Assalamu Alaikum, warm greetings to you all.

### LEARNING KŌRERO

Thank you to all parents who came out on a wet, windy, freezing night to talk to your child's teacher about their learning. It was great to see so many of you, we know that the connection between home and school is a vital for helping children make progress in their learning. If you were unable to attend, please feel free to contact your child's teacher to make an appointment at another time.

### MATARIKI CELEBRATION

Last Thursday we held a Matariki Celebration and assembly here at school. We were joined by our neighbours at Wesley Primary. It was a wonderful occasion. Our heartfelt thanks to Lou Reddy and the team at Wesley Primary for all of their mahi preparing and cooking the hangi.

### LOST LEARNING TUTORING

At Te Kura Waenga o Weteri we have been given the opportunity to offer Lost Learning Support. Many New Zealand students were affected by lost learning during 2020 and 2021 due to COVID, as a result some schools have funding to provide accelerated learning for students.

On Mondays Mrs Cassidy takes tutor groups to help accelerate students in Literacy and Mathematics. It is a wonderful opportunity and we encourage the students involved to make the most of the small group learning sessions.

### **BOYS' NETBALL**

Last Tuesday some of our students participated in the CZ Boys' netball tournament held at Windmill Courts. They had a wonderful day and demonstrated sportsmanship as well as our school values. We finished the day with 4 wins, 2 draws and one loss. Thank you to Nia for coaching, Whaea Whitney for umpiring, and to the parents that came and supported on the sideline.

### **HEALTH MESSAGE**

This winter, between Monday 12 June and Saturday 30 September, participating community pharmacies in Auckland will provide a Minor Health Conditions Service for Māori and Pacific people, children aged under 14 years, and community service card holders. The service allows pharmacists to have a consultation and provide advice as well as medication if needed for minor health conditions no cost to the patient. If your child (or anyone in your family) has a minor health condition, please make use of this service at your local chemist.
