MOTAT - RUBE GOLDBERG MACHINES

This term we are learning about Rube Goldberg machines. Last week, MOTAT came to visit our school to enhance our students' learning in this area. Our rangatahi were able to share what they had already learnt and build on this knowledge.

This week is Tonga Language Week. The theme for Uike Lea Faka-Tonga 2023 is 'E tu'uloa 'a e Lea faka-Tongá 'o ka lea'aki 'i 'api, siasí (lotú), mo e nofo-'a-kāingá, which means the Tongan Language will be sustainable if used at home, church and in the wider community.

Today we had a wonderful assembly with performances from our students and a guest speaker, Diamond Langi who talked about the importance of using your home language. Thank you Ms Hemeheema for your organisation of this week.
